

Newcomer Center Invitation

Ever thought of starting your own business? Then come to the following presentation!

4th of March, 10.00 – 12.00 am

Serena Martina Meier-Zeh

will be giving a talk on:

Discover self-employment in Germany with the BIEM* Start up Navigator International

Ms Meier-Zeh is the Project Manager for the Start up sponsorship program for international students, scientists and alumni. She will be giving you information on how to turn your idea for starting a business into reality. How this project can give you support in evaluating your business ideas, how to develop them, give you external consulting, coaching and much more. Come and check it out! As always the meeting is free of charge and open for all. After the presentation you will have time to talk to Ms Meier-Zeh and the women of the International Women's group over a cup of coffee. See you Friday!!
